Illinois - A Great Place to Play.

The NOVOMATIC Group is one of the biggest producers and operators of gaming technologies in the world. The group employs more than 25,000 staff worldwide. Founded by entrepreneur Professor Johann F. Graf, the Group has locations in more than 50 countries and exports high-tech electronic gaming equipment to 80 countries. The Group operates more than 250,000 gaming machines in its about 1,500 plus traditional and electronic casinos as well as via rental concepts. The group's business strategy both, as a producer and operator of gaming equipment provides the competitive development advantage of measuring and leveraging the science and art of gaming product development.

Established in 2012, as part of the NOVOMATIC Group, NOVOMATIC Americas enjoys the full support of its headquarters' expansive Research and Development Department, guaranteeing high-quality cutting-edge technology. Headquartered outside of Chicago, Illinois, NOVOMATIC Americas is bringing dynamic gaming products to the North American market. Leveraging the global design, market research and customer performance data of our Austrian parent company, NOVOMATIC Americas has spent the past three years creating market-specific gaming products for the North American and Caribbean jurisdictions. Our product range includes slot machines for Class III and VLT / VGT markets, electronic table games, management systems and ancillary services. We offer top gaming equipment combined with exceptional customer support, delivered by our dedicated team.
